

Virginia Hills Club's

JULY 4TH PIE CONTEST

It's a pie *making* competition – not how much you can eat...

But we all get to taste and rate the pies – hooray!

Pie makers:

Bring your best pie(s) to the 4th of July festivities at the pool between 2:00 – 4:00 p.m. You may want to bring two of the same pie – providing more samples to go around.

Cold pies are welcome, but keep in mind the warm, humid Virginia weather; there is no guarantee of room in the snack bar fridge to keep the pie cool. We will try to serve the pies as quickly as possible.

Send me an email to let me know the number of pies you are bringing – just to help me prepare better for the event. Thank you. Suzy Thompson mitchellandsuzy@juno.com

Pie tasters (that's all of us):

Our helpers will serve very small samples of each pie. Anyone can have a taste of any number of pies, but please limit yourself to one sample from each pie.

There are cards available to rate your top three choices of best tasting pies – so sample away!
