

Swimmer Availability Form

Purpose: Selection for participation in an "A" meet or other special meets is dependent upon a swimmer's time. This then needs to be coordinated with a swimmer's availability identified in this form. "B" Meets are excluded from this.

Instructions: Check the box under the appropriate column to identify whether the swimmer will or will not be available for a particular swim meet. Submit this form by Friday, June 16 to Kristy Long. One form should be submitted for each swimmer. Should your swimmer's availability change due to conflict or illness, please let the Team Rep or Assistant Team know as soon as possible.
